➤ **學習表現/出缺席政策：**每一次無故缺席將影響你的總成績，**3**次無故缺席將自動列入扣考名單。所有的請假需有假條才可銷假，病假的假條需以健保卡及學校假條兩者為主，事假需事先告知，事後再以假條銷假。你/妳已是一位大學知識份子，所以我預期每一位同學都能準時上課，當然我也會準時下課，對於每一次遲到及早退的同學將以扣1分以示警告。遲交作業當以0分計算，除非事先有告知老師。

- **Absences:** If you are unable to attend a class session, notify me in advance. Being absent does not excuse you from anything that was discussed or due in class. Homework or other assignments that are due must be submitted before the start of the class session, with a hard copy brought to class on your return. It is your responsibility to find out what you have missed when you are absent, and to make-up any in-class assignments that were given. If you are absent for more than one class meeting, your grade will be affected unless alternate work is discussed and submitted. Students who are absent for more than **3 class sessions will fail the course** except for extenuating circumstances that are discussed with the instructor.

- **Electronics:** Sorry, no laptops, cell phones, text messaging, etc. Recent research on multitasking shows that it negatively affects overall performance. Even quiet texting and checking emails is distracting to me and your classmates. If you need to keep your cell phone on because of an emergency, please set it to "vibrate" and quietly step outside to take your call. If you need to use a laptop for taking notes, discuss this possibility with me.

➤ 課堂考試：

依照上課的內容出題。There will be **9 quizzes** throughout the course that will demonstrate your understanding of the class content. 2 lowest quizzes score will not be calculated.

➤ 期末測驗：

依照上課的內容出題。

- **小組書籍/影片討論與分享報告** - 小組（五人）自行選擇一本書籍及一部影片，並將心得(三頁，雙面印刷)在指定的日期繳交並做上課分享。第一次的分組為教師指定分組。第二次的分組請自行選擇。書面報告內容須包含以下的資訊：

- 組別與組員姓名： 書籍/影片名稱：
- 小組為何選擇這本書籍/影片。
- 這本書籍/影片與課程內容的相關為何。
- 書籍/影片簡介(300字為限)。
- 指定問題回答：A passage that you found interesting and explain what it means to you.
- 小組問題回答：小組從書籍/影片中所要探討的問題為何：請小組討論出預探究的問題5題再分別請組員自行選擇3題做回答，為什麼你會選擇這三題。每一題至少使用3個所學過的學理基礎去解釋行為的產生。
- Conclusions(結語) -- Answer your inquiry question. Give a brief and non-repetitive summary. Also discuss:
 - What are your new understandings and insights?
 - How can your new understandings be practically applied?
 - What are your suggestions for how this subject can be addressed differently?
 - What questions do you still have?

- **小組書籍/影片口頭報告** - Each student will present his/her study in a 10 minute sharing-out with the class. Be prepared to explain your report and to answer your classmates' questions. You will also need to prepare an abstract of your report to distribute to your classmates. There is only one class session set aside for presentations. If you are absent, there will be no other opportunity to present your work.

You may create a poster and/or other visuals to supplement your presentation. Your presentation will be calculated by the feedback from your classmates using the rubric below.

Abstract(摘要):

Your abstract is a 1-page summary of what you wrote in your paper and will contain each of your paper sections. Bring copies for each student in the class. Make sure that your abstract includes the highlights from each section of your report.
