本學期課程中,會有<u>6次</u>課後作業。當同學得知課後作業後,請確實依照指示完成,所有的課後作業,請自行從網站下載,完成後請在下次上課時繳交。不收遲交作業。

- ◆ Exercise Logbook: Students are required to track and monitor their personal physical activity program weekly throughout the semester. You will create SMART goals and an exercise plan for yourself based on your own specific needs.
 - Absences: If you are unable to attend a class session, notify me in advance. Being absent does not excuse you from anything that was discussed or due in class. Homework or other assignments that are due must be submitted e before the start of the class session, with a hard copy brought to class on your return. It is your responsibility to find out what you have missed when you are absent, and to make-up any in-class assignments that were given. If you are absent for more than one class meeting, your grade will be affected unless alternate work is discussed and submitted. Students who are absent for more than 3 class sessions will fail the course except for extenuating circumstances that are discussed with the instructor.
 - Electronics: Sorry, no laptops, cell phones, text messaging, etc. Recent research on multitasking shows that it negatively affects overall performance. Even quiet texting and checking emails is distracting to me and your classmates. If you need to keep your cell phone on because of an emergency, please set it to "vibrate" and quietly step outside to take your call. If you need to use a laptop for taking notes, discuss this possibility with me.

穿著:適當的運動服裝,如你/妳因為不適當的服裝導致你/妳不能參與活動,將會 導致你/妳失去3分。

◆ 所有的作業請以 Microsoft Word 方式繳交。

根據中華民國身心殘障法令,你若是行動不方便者,請告知我。站在教育的立場,我將會提供最大的協助。
